Specification Information

Roundel KITCHENS

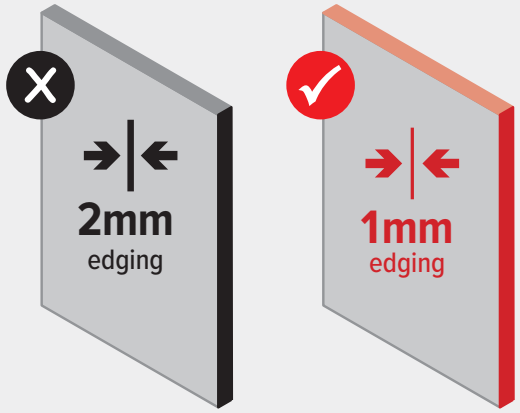

Our kitchen cabinets are constructed using a glued-and-doweled assembly for maximum strength and durability.

RIGID & PERFECTLY SQUARE

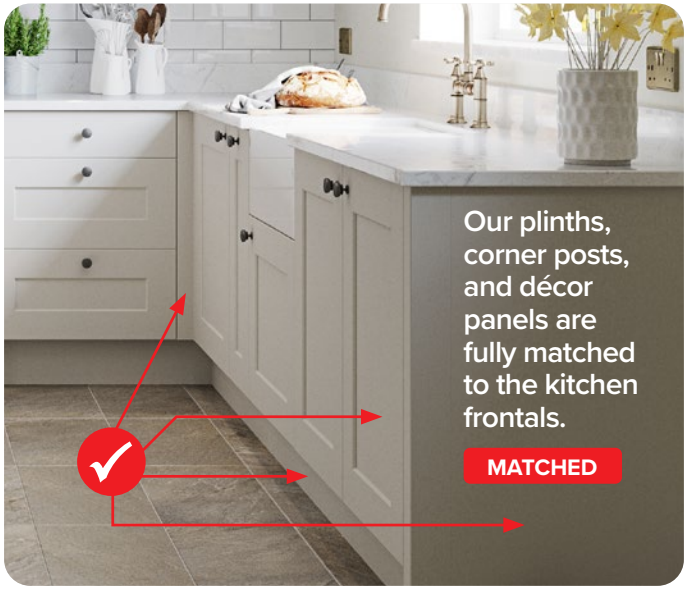

All of our doors are now on 1mm edging.

blum

The drawers in our kitchens will hold up to 25kg of weight.

Our plinths, corner posts, and décor panels are fully matched to the kitchen frontals.

MATCHED

Our kitchen worktops feature a 3mm radius post-formed edge, fully wrapped to prevent moisture ingress.

All joints are sealed with a true waterproof sealant.
